About Me

I was born on December 21st, 2003, in Loznica. I was a straight-A student in both elementary and high school. I am currently in my 4th year of studies at the Faculty of Technical Sciences in Novi Sad. I enjoy working in a team, but I am also independent. Sociable, ambitious, and unobtrusive.

Work Experience

Currently seeking my first professional experience.

Other

I have been a member of Mensa since the age of 17, with a measured IQ above 156 on the Cattell scale.
